Mission News

John Seitz, Pastor of Antioch Christian Church, Marion, IA., and a member of our GBM-TCH Board, passed away June 20,

in Cedar Rapids, IA., at age 51. He and his wife Gail, moved to Marion in 2000, and helped lead church expansion efforts to its present mega-church size. John had just completed graduate studies and received his doctors degree from Trinity Theological Seminary - posthumously.

When you listen to The Christians Hour broadcast on your radio station or the Internet, you will be blessed by worship music from our friends at The Acappella Company - and when added to great Bible preaching from Gene Appel, Rick Atchley, Aaron Brockett, Ben Cachiaras, Tim Harlow, Bob Russell - it is radio worth hearing and sharing. Each program goal is to help listeners connect with Jesus Christ. Listen on our website or on: GooglePlay; Itunes; OnePlace.com; and Studylight.com.

"Humanity is acquiring all the right technology for all the wrong reasons."

(R. Buckminster Fuller)

"Wind-powered wings for transportation, solar-powered halos for light ... why aren't they using this technology back on Earth?"

Taking The Gospel To The Lost Is Not Easy

When Jesus told followers to "go and make disciples of all the nations" He didn't tell them to go only if it was comfortable and convenient. More often than not it involved great effort and serious sacrifice. Mission work was not easy then and it has never been easy.

When J. Russell Morse and family started their mission work in Burma and SE Asia in the 1920's - moving to Thailand after WW2 - they faced countless difficulties - various types of persecution and imprisonment. Morse family members and others persevered and helped grow the Lord's work - resulting in millions of tribal people following Jesus today.

When my Aunt Dolly Chitwood and Leah Mosier went to India in 1946, to work with needy children in Kulpahar, authorities warned "you are very foolish to come here now - there is anarchy ahead - we strongly advise you go back home." They went anyway and after forty years of serving abandoned children there are now hundreds of Christians living in and around Kulpahar. Times change - but mission work is still not easy.

Doing God's work at home and in other lands calls for extraordinary commitment and dedication. The men pictured on the bamboo raft above represent the type of dedication necessary to do God's work in remote areas of Myanmar (Burma). They use every means available including radio and electronics to tell tribal people about Jesus. They take medicines to the sick - Bibles and hymnbooks to believers - food and clean water to the hungry - they teach, baptize, and train local Christians to tell others about Jesus.

With your prayers and support, our mission has started and currently helps support daily radio broadcasts in 15 languages - some in partnership with Asia Christian Services and the Far East Broadcasting Company. We also have programs in other countries and languages. The Christians Hour in English is on AM, FM stations and the Internet. Add to that we help provide radio studios and equipment used to produce music, programs and videos. Mission work is still not easy - but it is necessary if we are to help grow the church and reach men, women and children with the truth of Jesus Christ. *Bill McClure*

PROJECT 1

\$\$\$\$ for the Golden Triangle Seminar in Burma. In addition to regular Seminar costs, your gift will help with travel, food and lodging, enabling some of the 200 SE Asian leaders to attend from nearby countries who can only attend if they have financial help! Total funds needed for Seminar: \$10,000 - any amount given for this project will help toward reaching our goal to help meet this need.

PROJECT 2

Monthly support is needed for our Chiang Mai studio team (6 full-time, 3-part time). They produce daily broadcasts in several languages - and audio/visual materials for music, videos, films - and they make trips into areas served by our programs. Thailand's inflation rate is about 2% per year - dollar support we send each month has remained the same for at least five years. It would be a blessing if we could increase monthly support by \$1,500 per month.

Lee and Jonathan Turner, fellow radio broadcasters produce and transmit Urdu-language Christian programs to Pakistan. In their June **Insider's Alert** newsletter, they write: "The opening invocation in the U.S. House of Representatives May 9, 2019, was given by Muslim Imam Omar Suleiman, a popular imam from Irving, TX. He was invited to give the invocation by Rep. Eddie Bernice Johnson (D) from TX. The imam has defended Rep. Ilhan Omar (D) from MN. and the anti-Semitic comments which she made earlier this year. Ilhan Omar also spoke very dismissively of the attack on the World Trade Centers by Islamic jihadists. It is very troubling to see increasing pro-Islamic sentiment in our country. Is it not time for Christians to pray fervently for our country and its leaders?"

(1 Timothy 2) "... pray for all people. Ask God to help them; intercede on their behalf, and give thanks for them. Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity. This is good and pleases God our Savior, who wants everyone to be saved and to understand the truth. For there is one God and one Mediator who can reconcile God and humanity—the man Christ Jesus."

Ahdi Mark Songsiriphong & Tasanee with family-member Joseph at the airport. Mark directs the audio/visual work in our studio in ChiangMai. Tasanee works there and also serves as Director of Rapha House in Thailand. This couple helps plan and direct the Golden Triangle Seminar - scheduled for January in Tachileik, Myanmar.
